

KAY MAHON

ABOUT ME

My name is Kay Mahon. I'm a designer and maker of all things working and living just outside of Charlotte, NC. I've got an affinity for working with my hands and consuming design where I can. I love printmaking in all aspects.

EDUCATION

B.F.A.
Visual Communications
Winthrop University
2014-2018

EXPERIENCE

Present

Graphic Designer

Premier Inc.

As a full-time graphic designer, I assumed responsibilities for Premier's eCommerce solution, Stockd. This included UI/UX for the site, launched in June 2019, as well as all brand collateral, social graphics, and blog creation. Since launch, I have been managing and maintain these assets all while continuing the responsibilities under my internship.

2018

2018

Graphic Design Intern

Premier Inc.

As an intern, I am responsible for a wide range of tasks. From internal digital signage and one-off flyers to large scale banners and trade show graphics. In this internship, I gained experience in all aspects of design, such as prepping files for multiple printers, formatting designs for trade show graphics, and the in's and out's of large conferences.

2017

2018

Lab Monitor

Rutledge Visual Resource Center

Monitors are responsible for a computer lab. Ready to answer questions from general printing issues to software tricks. I also became very familiar with several large format printers.

SKILLS

Illustrator	Keynote	Efficiency
InDesign	Powerpoint	Time Management
Photoshop	Microsoft Word	Team Work
Procreate	Communication	Problem Solving
